## Army Guild of Bellringers 2024 AGM

Directions	<p>From West on M25 junction 8 Reigate 3.6 miles 10 minutes</p> <p>From East on M25 Junction 6 Godstone 5.8 miles 12 minutes</p> <p>From North via A23 via Merstham or from South A23 via Gatwick</p>
Hotels	<p>The Travel Lodge Redhill is the old Lakers Hotel refurbished and extended. It has single bedded rooms, twin and double bedded rooms and family rooms 37 in total. They all appear to be the same price.</p> <p>The Travel Lodge Redhill Town Centre is a new build above Sainsburys. It has double bedded rooms and family rooms - 68 in total.</p>
Car parking	<p>Travel Lodge Redhill car park is on the right AFTER the hotel coming out of Redhill - do not go into the station car park. It is cramped and limited spaces - register your car at reception.</p> <p>Travel Lodge Town Centre is the Warwick Quadrant underground car park with a lift into the hotel. Entrance off Princess Way</p> <p>One way system going North. Register your car at reception.</p>
By rail	The rear entrance from Redhill station is less than a minutes walk to the Redhill hotel
Toby Carvery	<p>A table for 20 people has been booked in a separate area of this large and recently refurbished eatery. £10.79 for a four meat serving with all the vegetables you can eat. Vegetarian choices and sides and puddings - London Pride on cask at a fancy price.</p> <p>it is suggested we gather at 18:30 to start eating about 19:00 which can be flexible. Serving ends about 20:30 and bar closes at 21:00</p> <p>Across the road is the Home Cottage Pub which serves a fine pint of Youngs.</p>
Ranmore	Ranmore church is in a lovely spot overlooking the North Downs and we are welcome to ring there. However, because of complaints from local residents we have to ring on the simulator. This will upset some of our ringers but for others it will be a new experience.
Dorking	<p>We have been made very welcome by the tower contact to ring the bells and hold our service in the Lady Chapel. However, the Church Hall is a separately run Christian Centre and we have had to book the use of a room and servery as well as the toilets</p> <p>Un-fortunately the car park next door to the church is pay and display and the entrance is via Mill Lane off the high street in the town centre.</p>
AGM & Tea	Tea/coffee with light refreshments and cups and plates will be provided. Please advise any special dietary requirements.
Expenses	a contribution of approx. £8 will be asked for to cover the tower donations, the Christian Centre and tea.
Sunday Visit	Denbies Wine Estate is well worth a visit - <a href="https://www.denbies.co.uk/">https://www.denbies.co.uk/</a>
